It is the policy of the Family Medical Centers, to provide essential services regardless of the patient's ability to pay. Discounts are offered based on family size and annual income. Please complete the following information and return to the front desk to determine if you or members of your family are eligible for a discount.

The discount will apply to all services received at the Family Medical Centers, but not those services or equipment that are purchased from outside, including reference laboratory testing, drugs, and x-ray interpretation by a consulting radiologist, and other such services.
